9 Plaintiff,

**ORDER DENYING MOTIONS
WITHOUT PREJUDICE**

10 v.

11 NETFLIX, INC., *et al.*,

12 Defendants.
13 _____/

14 Third party Vignette Corporation has filed a motion to quash defendants' subpoena and
15 defendants have filed a motion to compel production of documents. For the reasons discussed at the
16 hearing, the Court DENIES both motions WITHOUT PREJUDICE to renewing either motion after
17 further meet and confer and attempts to narrow the scope of discovery sought. It is the Court's view
18 that defendants may be able to narrow the requests after propounding interrogatories and/or taking
19 depositions. (Docket Nos. 1, 7, 13).
